# Weddings at Browsholme

Set in beautiful parkland overlooking the Hodder Valley, the Tithe Barn nestles in wonderful countryside with stunning views, in the gardens of a historic house which has been described as 'the jewel in the crown of the Forest of Bowland'.

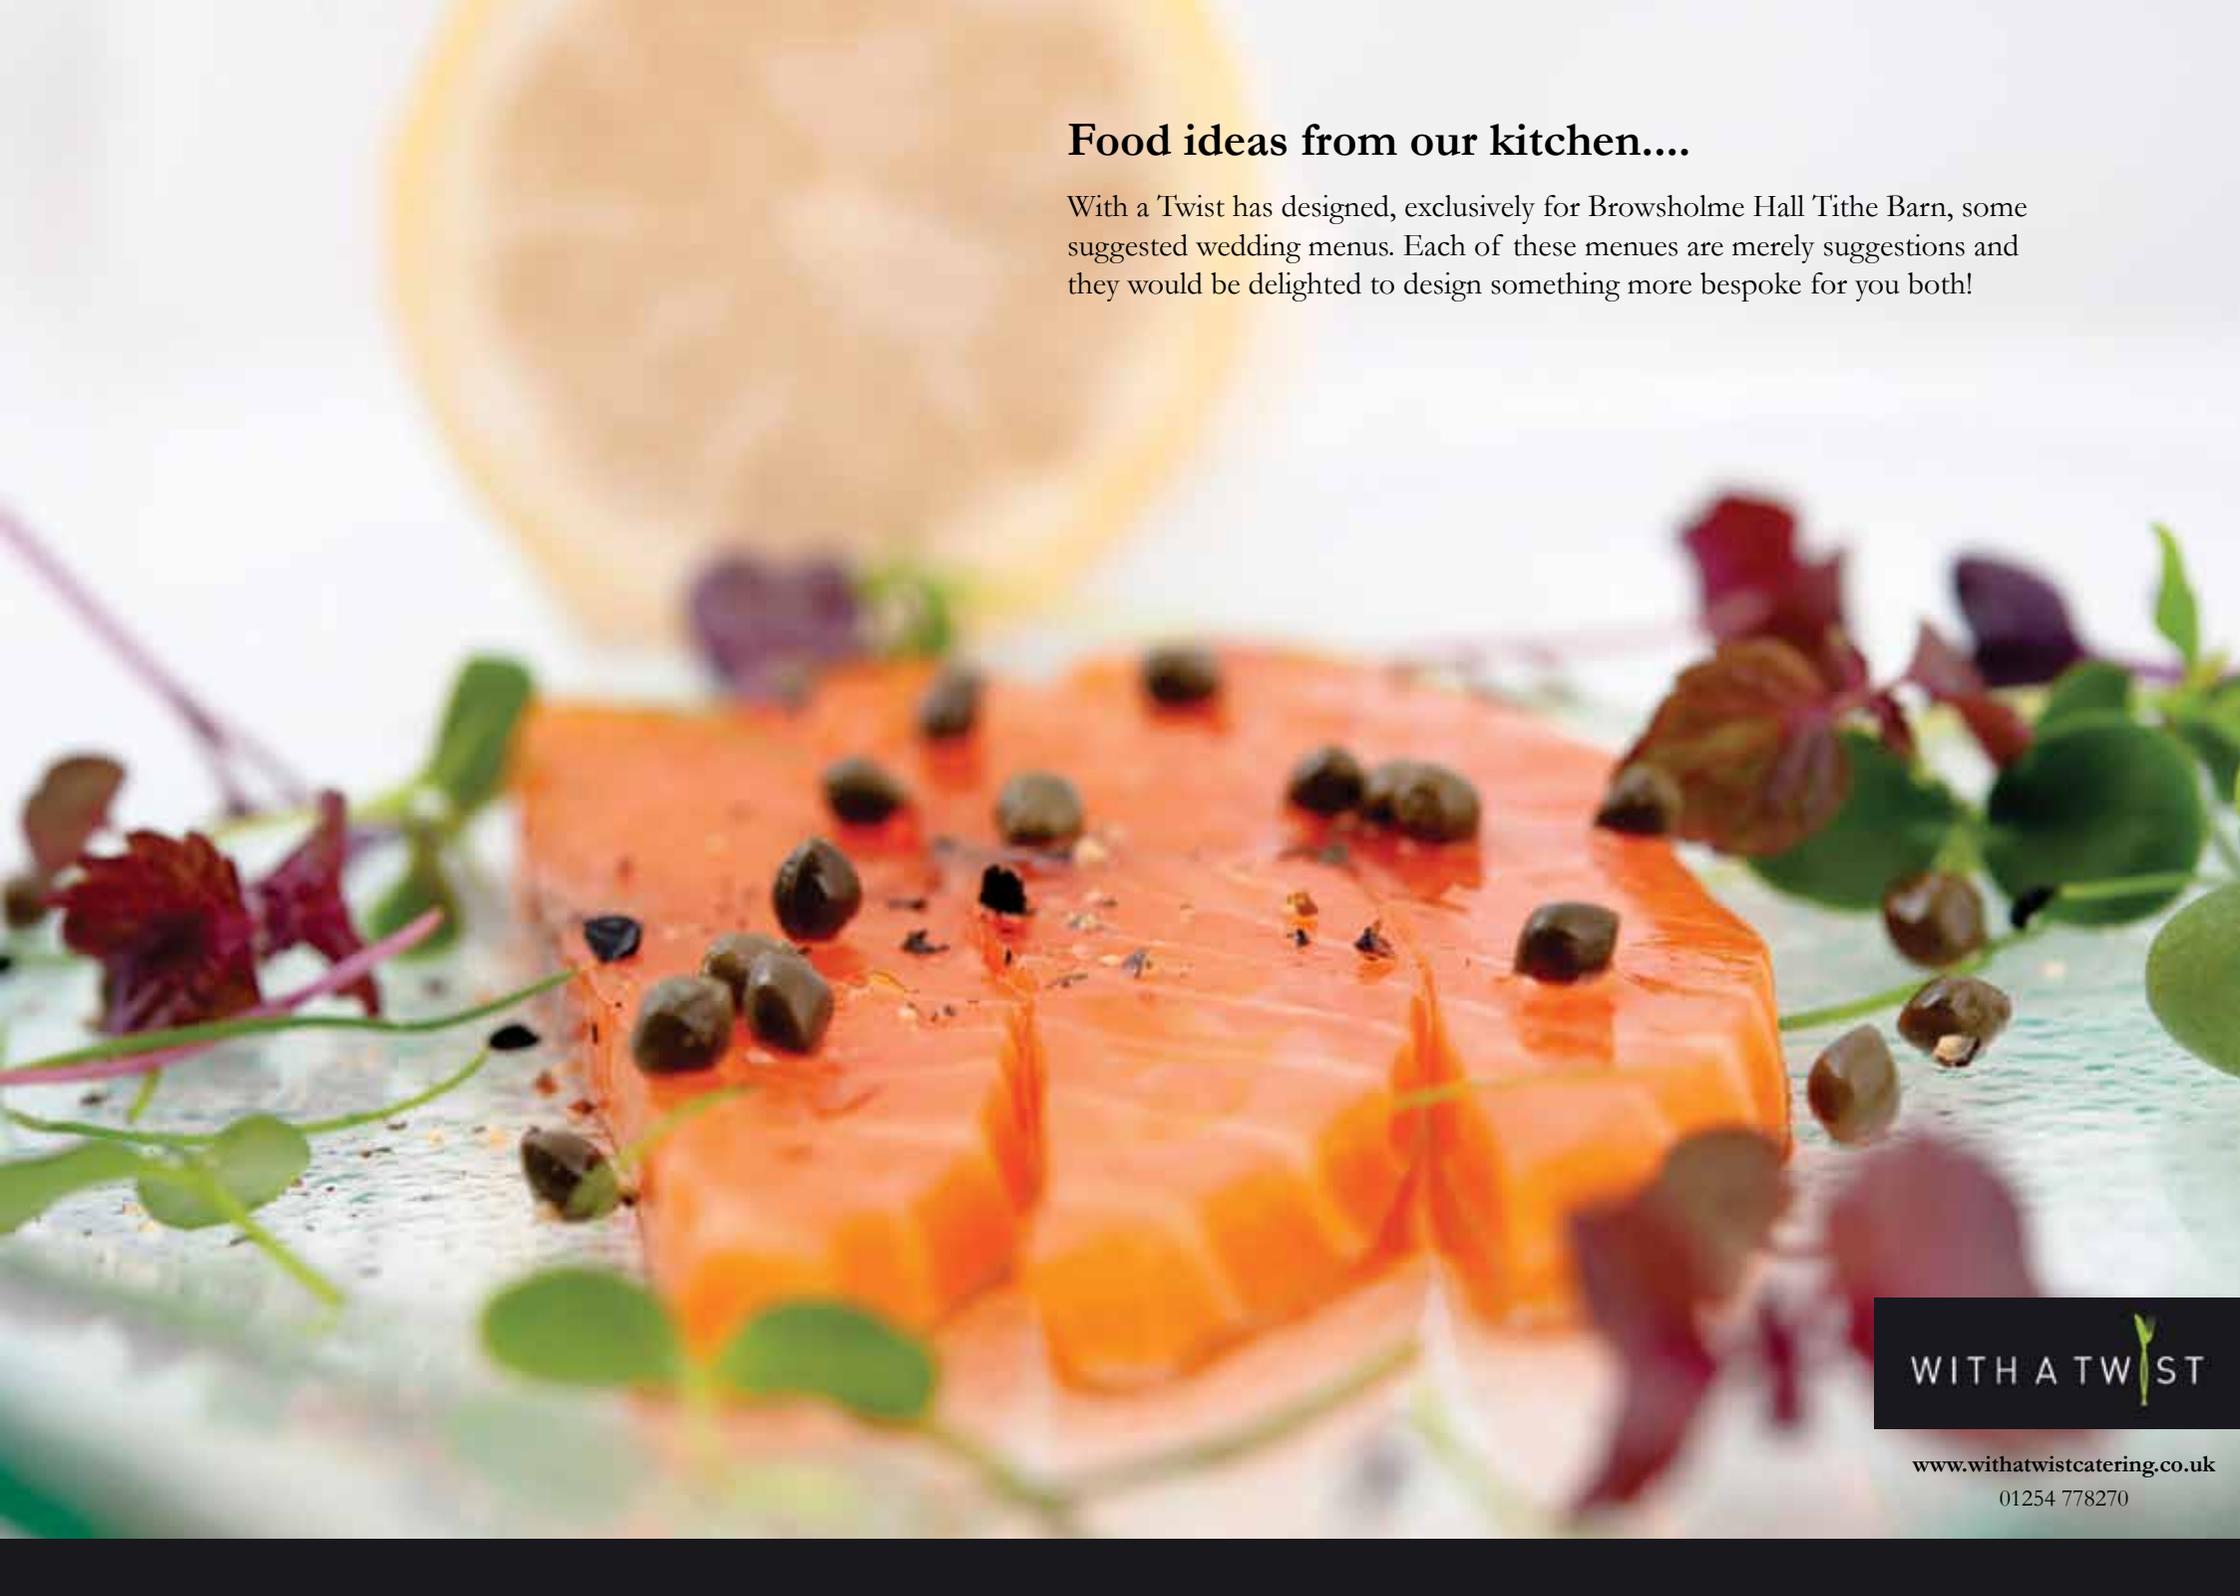

A civil wedding ceremony can be held in the Tithe Barn or, subject to availability, the beautiful Regency Drawing Room at Browsholme Hall itself. Following this, an exclusive reception for 50 – 200 guests will be arranged with great style and attention to detail to suit the couple's requirements. Choose from a range of themes or colour co-ordination, formal or informal service, traditional or unusual food, fine wines and drinks and a range of entertainments. For the wedding party, the gardens and surroundings of Browsholme provide countless opportunities for photographs and filming for that essential memento of a wonderful day.

You can choose from an extensive list of more than 450 hand-selected fine wines from the award-winning local firm Bowland Forest Vintners to complement your reception and chosen menus. These lovely boutique wines represent top quality, style and value for money. Our well-stocked bar can provide for every possible taste and features our very own 'Bowbearer' beer.

Our caterers, With a Twist, source seasonal ingredients from local farms and businesses wherever possible to create menus, including local beef, venison, veal, lamb and vegetables from across the North West.

## Food ideas from our kitchen....

With a Twist has designed, exclusively for Browsholme Hall Tithe Barn, some suggested wedding menus. Each of these menus are merely suggestions and they would be delighted to design something more bespoke for you both!
