## From This Day Forward

- Our experienced and passionate wedding planner will hold your hand and help to create your perfect day.
- Following your 'show-round', take a little time to discuss your thoughts with your families. We will reserve your preferred date under no obligation for fourteen days from the viewing date.
- Once your wedding date is held, your wedding planner will send you two contracts, inclusive of terms and conditions, to formalise the occasion and your wishes. To confirm simply sign and return both copies of the contract with the non-refundable deposit of £1,000. A copy of this contract will be returned to you for your personal files.
- Your wedding is now booked and the fun can really begin!
- To assist with the financial plans and preparation of your special day an invoice stating half of the contracted event value will be issued to you for settlement no later than six months prior to your event date.
- As your wedding approaches we will help you with the selection of menus, drinks and those all important touches to make the day run smoothly. Detailed updates following each meeting will ensure your dreams are turned into reality.
- With 3 months to go – your planner will invite you to a 'final details meeting' to finalise all those last minute details and arrange any ancillary items that may have been overlooked. A pro-forma invoice will then be issued for you to settle four weeks prior to your wedding day.
- With 2 weeks to go – your planner will ask you to confirm your final numbers, then your final invoice is prepared for payment 1 week prior to your big day.
- Almost there now... 3 days to go – come and meet the banqueting team who will be your friendly face as you float down the red carpet!
- It's here – Your day has arrived! We take over now, so allow us to do what we do best – pamper you and your guests. Remember you are the star of the show!
